ervice Response Force Exercise 200
(SRFX 2004)

PURPOSE

- **Conduct a full scale Service Response Force (SRF) Exercise/Deployment.**
- **Test the Army plans and procedures outlined in the November 2003 SRF Contingency Plan (DRAFT)**
- **Coordinate DoD, Federal, State and Local activities**
- **Provide an opportunity for the Arkansas CSEPP community to participate in the SRF Exercise and Exercise the Arkansas CSEPP Reentry and Recovery Plan**
- **Meet the AR 50-6 requirement to exercise and evaluate the SRF every two years.**

BACKGROUND

- **Recent SRFXs at Deseret in September 2002 and Bluegrass in October 2000**
- **Previous full scale SRFX at Pine Bluff in 1989 and limited SRFX in 1997**
- **SRFX 2004 scheduled in conjunction with the annual Pine Bluff Community CSEPP Exercise February 3, 2004**

OBJECTIVES

- **Provide training for the SRF**
- **Test the new draft Army Chemical SRF Contingency Plan**
- **Validate new Concepts and Capabilities**
- **Demonstrate Army implementation of the NCP in coordination with the EPA, FEMA, state, and county responders**
- **Confirm closure on issues identified during SRFX-02**
- **Document lessons learned to improve SRF concepts, plans, training and operations**

NEW CAPABILITIES

- **SRF Contingency Plan**
  - **Operations Center Procedures**
  - **Push Package Deployment Plan**
- **Arkansas CSEPP Reentry and Recover Plan**
- **Training of new players**
- **Lessons Learned from previous SRFXs**
- **Guardian Brigade communication package**

–
